Miss Thomas Weds.

The wedding was to have taken place May 4 at St. John's Episcopal Church in Roanoke, and invitations had been issued for the ceremony and reception there, but owing to orders received by the groom the marriage was celebrated this month. Mr. Thomas has been ill in Baltimore, and owing to his condition the wedding took place in that city, instead of the bride's home. Mrs. Glass has frequently visited in Richmond as the guest of Miss Louise Wilmer and Miss Ella Binford, and has always been a much feted visitor here.

JOHNSON CASE IS AGAIN CONTINUED BY COURT

Defense Wants to Call Certain Expert Witnesses—Trint is Set for May 15.

Upon a motion of the defense and the filing of an affadavit that essential witnesses could not be brought into court yesterday, Judge Richardson granted a continuance until May 15 in the case of Dr. Lemuel J. Johnson, the young dentist, who is charged with the murder by poison of his bride, Alice Knight Johnson, of 1513 North Twenty-second Street. The affidavit which the court required Attorneys H. M. Smith and John E. Woodward, for the prisoner, to file set forth that material prisoner, to file set forth that material testimony could not be put in for the defendant, if certain expert witnesses were not present. Illness of Robert D. Johnson, of Middlesex, the father of the accused, it was said, made it impossible for the necessary financial arrangements for the bringing of these witnesses here to be made. The certificate of Mr. Johnson's physician was produced to show that he could not be in court owing to a recent attack of uraemia. He is said to be convalescing. Commonwealth's Attorney George E. Wise and A. II. Hopkins, Common-wealth's attorney at Franklin County, both vigorously opposed the continuance. Upon the assurance of Attorney Smith that the trial would be pro-ceeded with when called on May 15, the continuance was granted to that date.
